

Fast Track Bridge

a different way to learn

Fast Track Bridge is the new and unique national learning programme developed and promoted by EBED to teach bridge.

Designed to flex round the needs and abilities of different students, it can be taught in the traditional three terms format or as taster bridge, holiday bridge and as a series of stand-alone short courses.

The programme consists of 24 hours of learning, and can even be delivered as a long weekend "crash course"

Fast Track Bridge, A seminar for teachers

Presented by

Sue Maxwell

from EBED at

Leeds Bridge Club

Stonegate Rd, Leeds LS 17 6EL

Saturday 28th October 10.30 - 1.00 pm
